Therefore, YOUR active involvement with our Chamber is key and important on so many levels because it benefits not only you but also the entire Chamber as a whole. Our tagline, "Strength in Numbers" speaks to the fact that we can learn so much from one another and accomplish so many incredible things TOGETHER.

“business after hours” networking mixers

Solid business relationships are vital to growing and maintaining your business. Your Chamber gives you monthly opportunities to network with your Chamber membership, so you can make new contacts, find potential clients and develop valuable business relationships that can help strengthen your business now and in the future. Our “Business After Hours” events provide incredible opportunities to spread the word about your products and services, educate you about business as well as learn about what other businesses can offer you in a fun and relaxing atmosphere. During certain times of the year, your Chamber enables you to further expand your networking circle by partnering with other local area chambers to hold joint events.

A “Business After Hours” event can be hosted (venue location) and sponsored by two separate businesses or by just one. Those businesses that wish to host and/or sponsor one of our monthly events are able to spotlight and promote their business by giving a brief presentation at the event and also through the Chamber’s promotional efforts: press releases to local newspapers, media coverage, flyers, event eblasts to membership and mention in our Carbon eLink newsletter.

Cost to Host Event: \$150.00

2020 Event Schedule: Please consult the Chamber Events Calendar on our website for the most up-to-date information on upcoming events.

To host or sponsor a future “Business After Hours’ event, please contact the Chamber office.

- **Get Access to the Member Information Center (MIC):** Contact the CCEDC Webmaster at 570-722-3751 or e-mail: ccedcweb@jumpsparkcreative.com and request access to this Members Only area (the login link is at the top right of any CCEDC web page). You will receive an e-mail prompt with a link to create a password. Your username is the e-mail used on your MIC account, which is initially set up by CCEDC staff or the Webmaster. Both your username (e-mail) and password can be changed through the MIC dashboard. If you forget your already-created password, please contact the CCEDC office or the Webmaster for a password reset.
- **Update Your Member Profile (FREE Basic or PAID Gold Enhanced):** There are two components to the Member Profile: the Personal Profile (each representative on your account has their own) and the Company Profile (any representative on your account has access and can change if they have the security permission to do so, which most reps do). To update, start with your personal profile (accessible at the top right corner of the page near your photo box or on the left-hand navigation). Follow the prompts to complete each profile. (Note that you can control who sees your profiles through the dashboard- you can choose to make your personal profile seen by no one, members or the public.) It is very important to update your member profile, especially your company profile, to make sure that it is accurate. This helps to maintain the integrity of the CCEDC Business Directory and also helps customers find and contact you. (Note: Become familiar with what you get with a FREE Basic Member Profile vs. a PAID Enhanced Gold. Only Enhanced Gold Profiles have photos and video that are visible to the public.
- **Utilize FREE Tools:** Stand out and promote your business for FREE by posting your Events, Hot Deals, Member-To-Member Deals, Job Postings, Classified Business Ads to MarketSpace, and Press Releases for Member Viewing, via the MIC dashboard. - **Share company announcements, news, promotions, and even hobbies on your MIC Welcome Wall, so that other CCEDC Members can get to know you.** (TIP: Be sure to upload a photo of yourself for your Personal Profile, so that other CCEDC Members can put a face with a name, which helps create that personal touch and establish a good business relationship.)
