

BUILDING LEADERS FOR OUR COMMUNITY

PERSONAL & PROFESSIONAL DEVELOPMENT FOR OUR FUTURE

MEET NEW PEOPLE ~ HAVE FUN ~ LEARN ABOUT YOURSELF ~ GIVE BACK TO YOUR COMMUNITY

Leadership Carbon is an adult leadership development program designed to cultivate knowledgeable, skilled, committed and action-oriented community leaders for the benefit of Carbon County's future. Leadership Carbon brings together participants once a month September through May. Participants typically come from diverse backgrounds and varying perspectives to learn more about themselves and their communities. In the Leadership Carbon Program, people share their ideas and experiences with each other, gain new skills and knowledge about leadership, and develop plans and strategies for implementing community betterment projects. Participants will also develop a deeper understanding of the challenges, opportunities and resources existing within Carbon County and will be prepared and encouraged to serve on various non-profit boards. The leadership training program is headquartered at the Carbon Chamber & Economic Development Office in partnership with Lehigh Carbon Community College.
