Community Readiness – Essential Business Operations

Re: Bowman Construction Inc. Preparedness Services

On behalf of Bowman Construction and as a fellow citizen of the State of Indiana, I would like to take a moment to thank each of our essential businesses as we navigate through these difficult times associated with this COVID-19 pandemic. All businesses, including healthcare, warehousing, retail, government, banking, logistics and individuals are experiencing the effects of our current crisis. Bowman Construction is no exception to these evolving circumstances. Many businesses may be looking to take some preventive measures to ensure the health and safety of essential employees during our new “social distancing” way of life.

Here is a list of construction services and emergency preparedness solutions that we are prepared to perform and construct:

- **Modular Renovations**
- **Aisleway Isolation Solutions**
- **Point of Sale Cough/Sneeze Guards**
- **Temporary Product Receiving Solutions**
- **On-Site Design/Build Ideas**
- **Temporary Entryway Modifications**

Please reach out to Bowman Construction at 765.664.5161 if we can be of help with any construction or remodeling needs at your business.

Sincerely,

Scott Miller
Owner, Bowman Construction
