### **A Message From Our President**

It is hard to believe we are approaching the end of 2019 already. I sincerely hope you had a successful and prosperous year. The Chamber's Board of Directors and staff appreciate your investment, time and support of our organization. We look forward

to continuing to collaborate, connect and advocate for local businesses in 2020. Thanks to all of you that support our efforts to be the catalyst for economic prosperity in our community!

I hope you supported our local businesses on "Shop Small" Saturday. The Chamber staff enjoyed stopping by over thirty local businesses to deliver swag items for Shop Small, as well as featuring many Chamber businesses on our social media channels.

The Chamber is in the process of conducting the Chamber's Annual Toy Drive, benefiting Broward Health Coral Springs. Please bring an unwrapped toy to any of our December events- the PWA Luncheon, Wake-Up Breakfast or the Ugly Sweater Holiday Party. You can also drop off items at our

December's class topic is "Ditch the Dread, learn about public speaking Instead" presented by Vice Mayor Joy Carter and the toastmasters. Please remember, knowledge is power!

I hope you will join us at the Holiday Wake up Breakfast on December 17<sup>th</sup> which is sponsored by Broward Health Coral Springs. Additionally, we are having a guest visit from State Representative Dan Daley to provide an update regarding the upcoming legislative session. Tomorrow's Rainbow was the vision of its founder, Abby Mosher, after a family tragedy identified the lack of understanding and support in our community for the forgotten mourners, bereaved children. The mission of Tomorrow's Rainbow is to provide educational and emotional support and guidance to grieving children and their families. The Tomorrow's Rainbow Ranch is the home of the first grief center of its kind to incorporate 2 best practice models of facilitated peer support and the therapeutic use of horses, art and play. In October 2005, Tomorrow's Rainbow began providing grief support programs, free of charge, to children and their families that had experienced the death of a loved one. Since then, one support group grew to 15 groups for children ages 3 to 18. In addition, Tomorrow's Rainbow offers specialized grief support groups for homeless teens and young adults, a closed/private group for the Marjory Stoneman Douglas community, and 3 grief camps for specialize populations. This much sought after program has received numerous awards recognizing Tomorrow's Rainbow for its excellence as the premier resource for grieving children in our community and receives daily referrals from hospitals, mental health
