### A Message From Our President

September was a very productive month at the Chamber! The Board of Directors voted to change the name of our organization to Coral Springs - Coconut Creek Regional Chamber of Commerce. This change

reflects the wonderful collaboration that we have had with Coconut Creek over the past year and a half and represents a true partnership with the Coconut Creek business community. We are very excited about the future!

Our government affairs committee has tirelessly worked on a variety of matters that affect your business. On a local level, we are working on improving processes such as permitting, signage and regulations. This month we have several important meetings coming up regarding these topics, I will keep you posted.

On the federal level, our Chairman Tim Hogans, Chair Elect Andrea Jacobs and I attended the Washington Summit with representatives from Greater Ft. Lauderdale Chamber, Greater Ft. Lauderdale Alliance, Broward Workshop, Port Everglades, Ft. Lauderdale International Airport, local elected officials and eighty other community partners. We met with Congressional representatives on issues such as water management, transportation, funding for customs and border patrol officers, national flood insurance program and Pell Grant Eligibility.

The Chamber is currently in the process of seeking sponsors for the Biz academy, we have already planned a dynamic series of six classes to keep you up to date on various topics, stay tuned.

Please remember to like us on social media and use your office depot discounts!

To your continued success,  
Cindy
