About Us

"The Coral Springs Coconut Creek Regional Chamber of Commerce is the largest & fastest growing Chamber in the Northwest Broward Area. With approximately 500 members, we are voice of business, the engine for economic growth & a champion for a thriving and welcoming community in Northern Broward County. By working with local government, the Chamber drives policy and represents the voice of community businesses.

If you are a business in the area, join us and start taking advantage of the endless opportunities available to connect you with our member businesses and local leaders. If you are lucky enough to be relocating to beautiful North Broward, you can be certain that you have chosen an amazing community to live, work and play!"
