

Trustee members of the Coral Springs Coconut Creek Regional Chamber of Commerce are leaders in our community who recognize that their business success and continued growth are tied to the community they serve. The purpose of the Trustee program is to engage senior executive business leaders in active participation with the Chamber by forming alliances with their peers. They lead our community in social and political interactions as well as be informed regarding issues that affect the Northern Broward region.

Trustee members lend their concern and expertise to address issues concerning the community, politics, and business to help ensure a solid future for local enterprises and our citizens.

Together, we are encouraging economic growth and ensuring that the Cities of Coral Springs, Coconut Creek and our surrounding communities continue to be vibrant for generations to come.

Annual Investment: \$2100
