Testimonies

- "We have been coming to Antlers on the Creek for a few years and decided it was the perfect place for our wedding. Their elopement package was amazing! Everything, from the flowers and photographer, to the dinner and cake was beyond anything we expected! They made our special day perfect! Susan and her staff are the best in the business and Antlers was the perfect place to spend our wedding night." -Ashley F
- "We stayed at Antlers for my cousins wedding. Susan and her staff are nothing less than amazing and both our stay and the wedding at Antlers were outstanding. The service was impeccable and the food by far exceeded our expectations. Every detail from the bedding to breakfast were pure perfection." - aburk2018

Testimonies

"If you're considering having your wedding at Antlers, you should stop considering and book it! The inn is a little slice of heaven and Susan and her staff stop at nothing to insure her guests get to relax and enjoy every bit of it. We had a 25 person wedding there this past weekend and all I can say is everything was perfect. I was a pretty hands off bride and Susan took care of every detail, from flowers, centerpieces, decorating the wedding arch, setting up the ceremony, snack trays while we were getting ready, late night snacks when we got back from the party, happy hour snacks, a fabulous wedding dinner, a great photographer recommendation, same with hair/make up, the list goes on...and on.. No request was too much and her and her entire staff did it all with smiles. They were all wonderful! Not to mention the scenery, the grounds are immaculate, the rooms comfortable but very elegant. Her breakfasts each morning had a wide variety (we were there for 4 nights), and each was as delicious as the last, she gladly accommodated my gluten intolerance (even making me gluten free waffles the last day!), the beds are sooooo comfy, the showers spacious and luxurious. I can't recommend this place enough! I couldn't have dreamt our wedding any better :) We look forward to visiting for years to come!!" -Laura B
