

ROCHESTER AREA

CHAMBER OF COMMERCE

December 2, 2020

Dear Olmsted County Board of Commissioners,

Thank you for your continued and decisive leadership during the COVID-19 pandemic. Your actions to support small businesses, non-profits, and the community, most especially the property tax abatement policy and extension, have definitely helped during this very challenging time.

We respectfully request you to approve both the proposed Hardship Abatement Policy for Commercial/Industrial Properties due to COVID-19 and the Temporary Abatement of the Penalty and Interest for Late Property Tax Payments and Interest until December 31 during your meeting tomorrow.

Thank you,

Kathleen Harrington
President
Rochester Area Chamber of Commerce
