

Be a part of Leadership Mid-Valley!

Why Leadership Mid-Valley?

Leadership Mid-Valley is a dynamic program offered by the Weslaco Area Chamber of Commerce. The program was established to bring together rising professionals with a passion and willingness to use and improve their leadership skills to enrich the quality of life across the Mid-Valley.

"This truly is a priceless program - the people you meet and the lifelong friendships you make are alone more than worth it! It is a program that offers enrichment in so many ways and in so many different areas. By the time the year is over you have grown not only as an individual but as a leader in your community. I cherished every minute of it!"
