

2022 BONAIRE PARKING INFORMATION

Free off-site parking with free shuttle to downtown Ogunquit

The town of Ogunquit will offer free parking for BonAire at 100 Captain Thomas Road in Ogunquit. This lot is located on the northern end of town. A free shuttle will operate from 10am-10pm, running continuously from the Captain Thomas Road lot to Brickyard Hollow's parking lot (formerly Bintliff's) on Main Street and back. Downtown activities are a short five-minute walk from the shuttle drop-off point. If you are planning to stay for the evening fireworks, you may potentially have a long wait to get back to your car, but if you are leaving earlier than that, the wait will be shorter, depending on the amount of traffic on Route 1.
