Your support is vital to the future of the Marginal Way and every donation helps us to fulfill our mission: to protect and preserve our beautiful path by the sea. Your tax-deductible donation helps us to ensure that we have adequate funding to support repair efforts when they arise due to the impacts of naturally occurring ocean storms, erosion, and invasive vegetation.

Thanks to generous charitable contributions we are able to keep the path safely open for all to enjoy for generations to come.

Please consider a gift today.
