

A SPECIAL MESSAGE FROM ATHENS SERVICES

Fellow Chamber Members:

Athens Services is the largest independent waste hauling and recycling contractor in Los Angeles County. In addition, we provide street sweeping, property maintenance and management, and composting services for residents, public agencies, and businesses like yours.

We are driven every day to exceed expectations by our core principles: We are committed to providing exceptional service, by hiring and developing great people, while fostering a safe, healthy, and sustainable environment. That's [The Athens Way](#).

We are proud to be a member of the Long Beach Chamber of Commerce, and to serve businesses like yours. As we deal with [the impacts of the coronavirus \(COVID-19\)](#) in our communities, we want you to know that Athens is here for you during these difficult times.

Waste collection is an essential service for the community and your business, and we take our responsibility seriously. Athens is maintaining standard operations and service schedules, while taking extra precautions to protect employee safety and safeguard our ability to continue to provide the essential services you depend upon uninterrupted.

We are available to meet all of your commercial waste and recycling needs, including construction and demolition and roll-off services. We support all LEED projects and utilize the highest certified recycling facility in Los Angeles County with 89.49% diversion. All it takes is a call to **(888) 274-2074**, or you can order the services you need at athensservices.com/rent-a-container/.

Please do not hesitate to contact us if you have any questions or concerns. Together we can help minimize the spread of COVID-19, keep our communities safe and healthy, and continue to move forward together.

Sincerely,

Wendy Bruget, Director of Government Affairs
