Lansing City Council members,

This letter serves as a formal indication of support from the Lansing Regional Chamber of Commerce (LRCC) for approving Brownfield Plan #80, the Pleasant Grove & Holmes Development Project.

The LRCC has been a strong leader in advocating for the economic development and growth throughout the city and region. Revitalizing the site of the former Pleasant Grove Elementary School is a true testament of the city's continued efforts to make Lansing an attractive location for business and people to live, work and thrive.

This project aligns with the Chamber's policy priority regarding economic development, job creation, housing, and health care accessibility. We encourage Lansing City Council to continue to be proactive and capitalize on the opportunity to support revitalizing this important site in the city.

If you have any questions, please feel free to contact me at any time.

Sincerely,

Tim Daman
