#### **PERRY PUBLIC SCHOOLS OPERATING MILLAGE PROPOSAL**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Perry Public Schools, Shiawassee and Ingham Counties, Michigan, be renewed by 17.6090 mills (\$17.6090 on each \$1,000 of taxable valuation) for a period of 10 years, 2024 to 2033, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 12 years, 2022 to 2033, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and if .391 mill of the above is levied in 2022 is approximately \$23,103, and if 18 mills of the above are levied in 2024 is approximately \$1,063,553 (this millage is to renew millage that will expire with the 2023 levy and to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?
