

LANSING REGIONAL CHAMBER

We Work Relentlessly to Help Businesses **Connect, Grow and Thrive.**

The Honorable Gary Peters  
State of Michigan  
Washington DC Office  
724 Hart Senate Office Building  
Washington, D.C. 20510-2204

March 16, 2023

Senator Peters,

On behalf of the Lansing Regional Chamber of Commerce, I am writing to express our strong support for the City of East Lansing's public safety enhancement requests to the federal government. As you know, public safety is one of top priorities for the residents and business community of East Lansing, and the Chamber believes that these enhancements are vital to ensuring the safety and security of the city's residents.

The City of East Lansing has identified several key areas where federal support is necessary to enhance public safety. These include investments in equipment and technology to improve emergency response times and enhance the city's ability to respond to emergencies.

We strongly believe that the federal government has an important role to play in supporting local communities in their efforts to improve public safety. The business community is firmly behind these efforts, recognizing that public safety is crucial to the success of local businesses and the overall economic vitality of the city.

Thank you for your attention to this important matter, and please do not hesitate to reach out if you have any questions or if I can be of any assistance in this effort.

Sincerely,

Tim Daman  
President & CEO  
Lansing Regional Chamber of Commerce
