

# 2023 Student Summit

Shape the future with a career  
in the insurance industry

Wednesday, April 19 | 10 a.m. to 1 p.m.  
University of Akron

High school students are invited to connect with insurance professionals performing a variety of jobs in the industry including data analytics, claims, underwriting and risk management. Students will receive career advice and make professional connections to help inspire and drive their future careers.

## EVENT OVERVIEW

**Mentoring Tables** - Students will interact in small groups with insurance professionals to learn about careers and how to successfully prepare for them.

**Scavenger Hunt & Raffle** - Students will be invited to compete in a scavenger hunt challenge with the chance to win a grand prize.

**Lunch** will be provided.

### Register today!
