

# WHY INSURANCE? WHY OHIO?

## CAREER STABILITY

Insurance is an economically stable industry, offering rewarding careers and limitless opportunity.

## SERVE YOUR COMMUNITY

Insurance provides security and peace of mind, by offering protection for damage sustained by commercial businesses, and personal losses to home, auto and loved ones.

## ROOM TO GROW

The insurance industry supports ongoing learning and personal development for career advancement.

## GREAT PAY AND BENEFITS

The average annual salary for an Ohioan working in insurance in 2022 was \$90,308 – almost 50% higher than Ohio's average private sector annual salary of \$60,642.

## A DYNAMIC INDUSTRY

Innovation and technology are taking center stage from drone technology to artificial intelligence.

## VARIETY OF CAREER PATHS

From claims reps and special investigators to web designers and IT specialists – there are insurance career paths for every interest and skill set!
