Insurance for Property on the Move

Our team of local specialists and dedicated inland marine underwriters is focused on protecting your clients' property and job-related tools and equipment. Whether your client needs insurance for goods in transit, for equipment on a work site, or for materials in the custody and care of another, we will help find the right coverage solution.

- Dedicated, regional underwriting professionals focused exclusively on inland marine coverage
- A consistently superior claims experience. We combine innovative thinking, cutting-edge tools and expert resources, on both national and local levels to deliver the best possible outcome on every claim we manage
- Risk control expertise to identify and make practical, sustainable suggestions to help mitigate risk
- Ease of doing business. Easy access to online rating through eCLIQ®
