949-322-4866

For the past 11 years Kathy has been an equal partner and shareholder at Do It American Manufacturing Company, LLC (DIA), a manufacturing company serving mainly public utilities, with the passion for creating meaningful jobs and improving U.S. Mfg. She believes that everyone has the potential to be a leader if given the chance and proper training. The company's culture and manufacturing methodology has resulted in continued year over year growth and excellent performance. As a result, DIA's team has received numerous awards from customers, distributors, and community leaders.

Kathy has worked in various industries prior to DIA including Academia, Information Technology, Semiconductor, and Medical Devices. She studied computer science and graphics as undergrad and holds an MBA from CSUFullerton.

She is passionate about promoting education at any age and raising public awareness for U.S. Mfg. Her other passion is donating her time and expertise to the community. She is proud to be a board member for the Corona Chamber Foundation and an active parent to her two teenagers.

She was nominated to participate in the 2019-2020 Executive Leadership Roundtable class through Corona Chamber of Commerce. She volunteered her time with the group raising funds to coordinate the expansion of services provided to our active military who pass through the Bob Hope USO by upgrading the kitchen facility, Wi-Fi, and office space.

It was an honor for Kathy to be nominated 2020 Businesswoman of the Year by NAWBO Inland Empire sharing the stage with so many amazing women.
