Nauser Joins Saint Francis Behavioral Health Poplar Bluff

POPLAR BLUFF, Mo. – Saint Francis Healthcare System is pleased to announce Jonathan W. Nauser, PhD, has joined Saint Francis Behavioral Health Poplar Bluff as a clinical psychologist.

Nauser earned his Bachelor of Arts in Psychology and Bachelor of Arts in Sociology from University of Missouri – Columbia, followed by his Maser of Science in Psychology from University of Central Missouri in Warrensburg, Mo. He earned his APA Accredited Doctorate of Philosophy in Counseling Psychology from West Virginia University in Morgantown, W. Va., followed by his APA Accredited Clinical Psychology Pre-Doctoral Internship and Residency from University of Florida Health Sciences Center in Gainesville, Fla., where he followed a pediatric psychology track. Most recently, Nauser completed his APPIC Accredited Pediatric Psychology Fellowship at Saint Louis Children’s Hospital in St. Louis.

Nauser has a variety of clinical experience and published work, including studies on addiction and pain psychology. He is a member of American Psychological Association, Society of Pediatric Psychology, Missouri Psychological Association and Society of Clinical Child and Adolescent Psychology. To make an appointment with Dr. Nauser, call Saint Francis Behavioral Health Poplar Bluff at 573-772-7722.

Saint Francis Healthcare System is guided by our Mission to provide a ministry of healing, wellness, quality and love inspired by our faith in Jesus Christ. Founded by Franciscan Sisters in 1875, our priority remains the same: serve all who enter with dignity, compassion and joy. Serving nearly 713,000 people across Missouri, Illinois, Kentucky, Tennessee and Arkansas, our focus is on patients' outcomes, experience and value.

Anchored by Saint Francis Medical Center, a 306-bed tertiary hospital, and supported by nearly 3,000 employees and more than 250 providers in eight communities, the Healthcare System is a driving economic force in the region. Major services include the Cancer Institute, Emergency and Level III Trauma Center, Family BirthPlace and Level III Neonatal Intensive Care Unit, Heart Hospital, Neurosciences and Orthopedics.
