## HOSPICE

March 12, 2020

Dear Valued Partner,

In response to the rapidly evolving COVID-19 outbreak I wanted to reach out to let you know that St. Croix Hospice is fully prepared to continue to serve all hospice patients. Our agency is uniquely positioned to respond due to our high level of readiness. With a COVID-19 Task Force led by our dedicated Infection Control Nurse, St. Croix Hospice has the tools, resources and staffing in place to ensure the safest levels of care are provided uninterrupted for all patients and residents.

St. Croix Hospice care teams are available 24/7 including nights and weekends. We are also cross-training staff to ensure we are prepared to continue to provide exceptional hospice services during this outbreak. Enclosed please find a document outlining specific details regarding our COVID-19 preparedness.

We look forward to continuing to provide your facility with the highest level of hospice clinical care throughout the duration of this pandemic.

St. Croix Hospice is available 24/7 to answer questions and take referrals.
