Letter *From The Chairs*

Fellow Chamber Members,

On behalf of the entire Board of Directors, thank you all for supporting the Hudson Area Chamber of Commerce & Tourism Bureau. We are proud to report that your Chamber of Commerce represents over 420 business members in the region.

As your incoming and outgoing Chairs, we would like each of you to consider what the Hudson Area Chamber of Commerce & Tourism Bureau has to offer you and your business:

- A great referral source for Chamber members
- Strong marketing opportunities
- Exposure and support of businesses through ribbon cuttings and grand openings
- Leadership development opportunities through speakers and seminars
- Representation for local, regional, and national issues
- Diverse networking opportunities

Get involved! Now it's time to start letting people know about your business externally by using your Chamber membership to its fullest. The Hudson Area Chamber has committees and task forces covering a range of business sectors: tourism, industry, retail, emerging leadership, arts and culture, and others. Every one of these committees presents an opportunity to not only connect with fellow members, but develop a relationship and a better understanding of their respective strengths and goals, thereby putting you in a stronger position to effectively help one another.

In addition to a Chamber of Commerce, we are also a Tourism Bureau that coordinates the out of area marketing to attract visitors to the Hudson area, which in turn provides a direct economic benefit to the community. Travel and tourism enhance the quality of life in our community by providing jobs, and bringing in tax dollars for improvement of services and infrastructure.

We invite you to be part of the growth of the Hudson Chamber and the community, and to make the Chamber your most valued business partner.

The Chamber Board of Directors and the Chamber staff look forward to working with you in 2022.

Eagle Eye Farm is
a small family farm in
River Falls, Wisconsin.
We have alpacas, llamas,
Valais Blacknose sheep,
Kune Kune pigs, miniature

Highland cattle, mini Shetland ponies, Babydoll sheep,
English Angora bunnies and numerous varieties of
chickens. We are offering educational farm tours by
appointment only. During these approximately one
hour experiences, you will be with one of our very
knowledgeable staff that will tell you all about our
animals and allow you to get up close and personal with
many of them.

Be sure to stop by our farm market, All Things Sheared,
where you can find unique gifts and products from our
award-winning alpacas and sheep.
