The St. Croix Valley Where Art & Nature Meet

The natural beauty of the St. Croix Valley has attracted painters, sculptors, performers, writers and musicians for over a century. You'll be inspired by the creative energy flowing through the Valley. There's hardly a country road that doesn't lead to an artist's gallery or studio, not a community on a summer day without live music, an art fair or theatrical production.

"Art is a harmony parallel with Nature."

Afton...

a Charming, Nineteenth Century Village anchored on Lake St. Croix

The historic Village of Afton is nestled between wooded river bluffs on the scenic, nationally protected St. Croix River. Those that visit call Afton “nostalgic, friendly, charming, and quaint.” In the mid-1800s, visitors, were reminded of Robert Burns’ poem “Flow Gently, Sweet Afton,” and hence came its name.

Explore Main Street Treasures

Afton’s Historic Main Street (St. Croix Trail) features several unique shops offering clothing, repurposed antiques, works from local artists, spas/salons, jewelry, hand-made gift items and more. A visit to Afton would not be complete without a stop at the lovely 19th century **Afton House Inn**, offering upscale dining and gracious accommodations featuring rooms with fireplaces and Jacuzzi tubs—perfect for a romantic weekend get-away.

Explore the River

Afton is home to two of the largest marinas in the Valley. Enjoy a cruise on the beautiful St. Croix River with Saint Croix River Cruises. Pleasure boaters will find Windmill Marina, ready to cater to any of their needs. The Marina features a complete service department, ship’s store, launch ramp and gas dock with pump out facilities, ice, bait and more.

No one can resist a great parade on the 4th of July and Afton’s parade is not to be missed! A tradition for St. Croix Valley residents and visitors, alike. Enjoy great music, food, and music in the park.

A Summertime Tradition

Selma’s Ice Cream Parlour is small-town, step- back- in-time, old-fashioned ice cream shop. Minnesota’s oldest ice cream shop, Selma’s has been dishing out ice cream and other wonderful treats since the early 1900s. Ice cream is only the beginning, at Selma’s. Enjoy a fresh cup of coffee or espresso, or satisfy your sweet tooth by browsing through the large selection of fine candies.

Get in Touch with Nature

Afton’s location on the widest expanse of the St. Croix River, Lake St. Croix, and its proximity to Afton State Park, Belwin Nature Center and Carpenter St. Croix Valley Nature Center offers visitors and nature lovers the opportunity to see a variety of wildlife, excellent birding, and great hiking.

Where the St. Croix meets Old Man River

(c) Margaret Smith

Prescott is a small, picturesque river town, located where the blue waters of the Scenic St. Croix River meet the Mighty Mississippi River. Most downtown businesses occupy buildings erected in the 19th century, giving the community a historic flavor. On the bluff above Prescott is the Great River Road Visitor & Learning Center at Freedom Park offering visitors a chance to learn about the Mississippi and St. Croix rivers, see majestic bald eagles soaring and experience the expansive views of the river valley.

At the Heart of Prescott

Shoppers, boaters, bikers and cyclists will be drawn to Prescott's historic Broad Street. Unique bars and restaurants with award winning patios and scenic deck views are enjoyed by day-trippers, discriminating diners and local residents. Antiques, home décor, the Orange Dragon Art Gallery and gift shop, and one-of-a-kind murals add to the welcoming charm of one of Wisconsin's earliest river towns.

For visitors with a passion for architecture, a self-guided tour of Prescott will take you to 41 locations, including the original town square with three of its church buildings still standing. The tour also takes in several 1850's and 1860's Greek revival homes in the bluff top residential area of Prescott.

The Welcome and Heritage Center, located in downtown Prescott is listed on the National Register of Historic Places. Built in 1855 as a bank, it now serves as the office for the Prescott Area Chamber of Commerce and Area Historical Society.

Riverfront Recreation & Leisure

A four-block River Walkway extends along Prescott's Riverfront area, and includes Mercord Mill Park, overlooking the confluence of the St. Croix and Mississippi Rivers. Stroll the River Walkway along the levee and watch the barges, boats, kayaks and canoes moving up and downstream. Rent a boat or pontoon and experience the two great rivers yourself. Enjoy fishing, pleasure cruising or watching the nearby lift bridge rise to accommodate sailboat masts, and see freight trains rumble across the distinctive iron bridge between Minnesota and Wisconsin.

A Well-Rounded City

In the summer you can find live music, art gallery exhibits, and amateur baseball from the Prescott Pirates, Flood Runs and space at the beach to spend your weekends. In the winter, Prescott is an entrance point for 200 miles of well-maintained Pierce County snowmobile trails. Cross-country and downhill skiing are available at nearby area ski resorts and parks. The winter "village" of ice houses is a popular fishing tradition on the St. Croix River at Prescott. Not to mention the ice sculpture garden or giant Christmas trees on display at local restaurants.

Whatever your interests, you'll discover unique and enchanting experiences in Prescott.

Lovers of all things Scandinavian will be delighted

Nestled among rolling hills and many beautiful lakes, Scandia is the site of the first Swedish settlement in Minnesota. Visitors to Scandia can stop and view the Swedish Monument marking the location of the first log cabin built in 1850 and tour the Hay Lake School Museum before heading up the road to Gammalgården of Scandia.

Gammalgården of Scandia was established in 1972 to preserve, present and promote Swedish immigrant heritage. Gammalgården, meaning "old small farm" in Swedish, is an open-air museum that features historic buildings dating back to the 1850s. Join us on a guided tour of these buildings to catch a glimpse into the daily lives of early immigrants to Minnesota through a Swedish lens. Signature events throughout the year include Midsommar Dag, Spelmansstämman (Swedish Fiddle Festival) and Lucia Dagen. Gammalgården of Scandia is celebrating its 50th Anniversary this year!
