### **Florida Trade & Logistics 2030 - Florida Chamber Foundation**

Take a brief survey - We're setting the course for Florida's continued leadership in trade, logistics and export-oriented manufacturing activities through 2030 - and **we're seeking your input**. Your participation in this survey will assist our research team in developing recommendations that will help move Florida from - what is now - the 15th largest economy in the world to the 10th by 2030.

## The Hot Topics

This summit will be covering  
three main pillars of smart  
growth including Affordable  
Housing, Environmental  
Impact, and Vibrant  
livability.

### Affordable Housing

We need housing for our workers, this pillar  
will touch on a National, State, and Local  
level update on Affordable workforce  
housing

### Environmental Impact

Living on the coast is one of our main  
attractions, we will be discussing low to no  
cost environmental protection initiatives to  
incorporate in developments

### Vibrant Livability

A house is more than a structure it is a home  
and a place that you want to spend your  
time. We will be discussing the tricks that  
developers can implement to make a  
development a community.
