GROW YOUR BUSINESS IN 2019

EXPECT BIG THINGS!

Your business is important to us! The Exeter Area Chamber of Commerce (EACC) is pleased to introduce you to the marketing benefits of event sponsorship and Chamber advertising. Every year we organize many events to enhance the community we live in, as well as help our members grow their businesses; all while attracting visitors to the region.

Each of our events offers unique marketing opportunities for your business along with promotion via web, social media, print and in some cases radio. We are dedicated to providing peak exposure and recognition to all of our sponsors. We also understand that some businesses have specific marketing needs and can work with you to customize sponsorship options.

EACC accepts in-kind donations for some events such as radio air-time, advertising, equipment rentals, and product donations in exchange for recognition at events. We also happily accept VOLUNTEERS, either individually or as a staff team. EACC would not be able to accomplish the many events and programs we hold throughout the year without the help of our volunteers.

We hope you will develop a partnership within your community and show your support with an Exeter Area Chamber of Commerce marketing sponsorship!
