- Feb. 14** – Deadline to call an ESD election for the May 2 Uniform Election Date. (78 days before the election; deadline changes each year.)
- May 2** – Election Day (Note: Counties may not hold county elections in May of even-numbered years because of possible conflicts with the primary run-offs; Counties are also not required to contract with ESDs to conduct elections on their behalf in May of even-numbered years.)
- June 1** – Deadline for most ESDs to file an audit of the preceding fiscal year with the County Commissioners Court (or courts, if the ESD covers more than one county). The county auditor, with approval of the Commissioners Court, shall adopt rules as the audit’s form. The County Commissioners Court may order the county auditor to perform the audit 120 days before the end of the district’s fiscal year. *775.082(a-c)*

(78 days before the election; deadline changes each year.)
