

Greetings, If you are tax exempt please fill out the attached form when order and email to me as well. I am Terry Beck with You Name It Specialties in San Antonio, TX. I am a board member on Medina County ESD 1, however in my profession I sell promotional products and advertising specialties including apparel and much more. With that said we are selling face masks at this time at a very discounted rate to deal with the shortage of them to protect from COVID 19. We have brokered a deal with one of our manufacturers to make and sell these masks on the attached flyer. These are made in the USA for us and production time right now is roughly 7-10 days. I attended my first SAFE-D conference in Galveston recently and I am just reaching out to the masses in case you are having trouble finding any masks because there is virtually none out there in the market right now, that is why we brokered this deal which gives us guaranteed product. Please reply to this email if I can be of any help to you.  
NOTE: The masks must be ordered in lots of 120pcs.

Regards,

Terry Beck
