**Embedded (EMB):** For a family plan with an embedded deductible, each member pays their own, individual deductible. Once an individual has met their deductible, no further deductible is required of them for that plan year. Other family members continue to pay toward their individual deductibles until the family deductible is met. An embedded out-of-pocket maximum works the same way.

#### QHDHP: Qualified High-Deductible Health Plan NoDD: Not subject to deductible

Health benefit plans are issued and administered by MVP Health Plan, Inc.; MVP Health Insurance Company; MVP Select Care, Inc.; and MVP Health Services Corp., operating subsidiaries of MVP Health Care, Inc. Not all plans available in all states and counties.

### \$600 Well-Being Reimbursement
