Get Access to Care Your Way, With Gia®
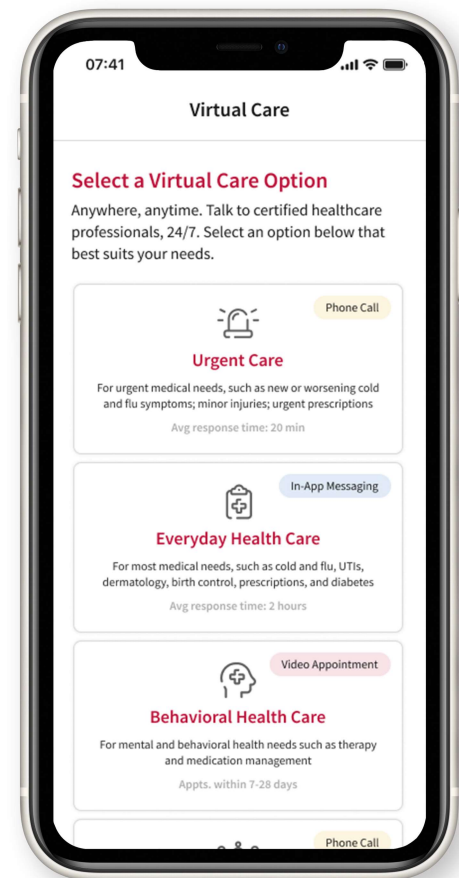

A guide to your health.

- **$0 virtual care services for most MVP members**

- **Urgent Care.** Avoid waiting rooms and find out if you need more advanced care or get urgent prescriptions and medical advice for minor injuries via a phone call

- **Everyday Health Care.** Send in-app messages for support and treatment of most medical needs, including preventive care, the cold or flu, or conditions like diabetes, asthma, and anxiety

- **Behavioral Health Care.** Find treatment to help manage conditions like anxiety, depression, substance and alcohol use disorder, and more. Schedule a video appointment for behavioral health or psychiatry visits, no referrals needed

- **Pediatric & Adolescent Care.** Schedule a call for members age 0–17 years old who may be experiencing ear pain, strep throat symptoms, pink eye symptoms, and more

Gia is a guide to your health plan, too!

- **View and share your MVP Member ID cards** with doctors and family

- **Find medical, dental, and pharmacy claims** for members of your plan

- **See progress toward deductibles and limits** for any member of your plan

- **Search for an in-person doctor or facility** that participates with your plan

- **Get an overview of your coverage**, including medical, dental, vision, and pharmacy plans

- **Pay your premiums in-app** and setup autopay to never miss a payment*
