Welcome to Ocean Pines!

Once hailed as the state's premier coastal retirement community, Ocean Pines has grown and succeeded beyond the original developer's dream, 54 years ago. Adjacent to Maryland's only coastal resort town, close to priceless state and national parks, and offering various forms of recreation, "The Pines" has become the most desired residential community in the county. In 1975, the Ocean Pines Chamber of Commerce came into being and ever since has served as the area's cheerleader, economic magnet, and community advocate. If you are visiting us, WELCOME! Take full advantage of all our region has to offer.

Our annual Business Directory has been a trusted source for residents and visitors who seek recommendations for trades people, great food, fun things to do in our region, or the highest quality health care for decades. Featuring the Ocean Pines Chamber of Commerce's partners, this resource is an essential community asset. Consider this the 2022 version of your neighborhood telephone book. The directory can also be found online as a clickable pdf on the chamber's website, OceanPinesChamber.org.

Last Fall, the Ocean Pines Chamber of Commerce opened the Ocean Pines Visitor Center located on Racetrack Road, just south of the intersection with Cathell Road. The Visitor Center serves as the home of the Chamber as well as a few local businesses, while also serving as a community gathering space. Sponsored by Ocean Downs Casino, the Ocean Pines Visitor Center highlights local businesses and nonprofits but specializes in regional adventure and entertainment ideas for all ages. Whether it's sampling local wines or brews, navigating scenic waterways by kayak, or enjoying the finest art pieces from local artisans, the center can help create a vacation to remember! Please stop by!

Shopping local, shopping small is something to always remember, whether you are just visiting or live here. Patronize the businesses in this directory and know that you are supporting our neighbors. Feel free to contact the Ocean Pines Chamber for more specific recommendations or questions and know that we are a community service nonprofit, dedicated to the safety, smart growth, and well being of our unique community.

Why Ocean Pines?

Population

While not a municipality, Ocean Pines is home to the largest population base in Worcester County. Over 12,000 year round residents join approx 8,000 part time residents and visitors to form one very consolidated consumer base.

Growth

Being the link between the OC Rt 50 bridge and Rt 90, Racetrack Road (Rt 589) has become a thriving commercial by way. Growth should be our middle name!

Partnerships

The Ocean Pines Chamber is large enough to provide access to a very diverse, wide array of industries but small enough to create solid core referral connections. We have partners, not members.

Since 1975, the Ocean Pines Chamber of Commerce, has supported, stewarded and advocated for our community. Going far beyond the gates, we partner with businesses and non profits all over the shore. Our approach is very personal. Whether you are a one person show or million dollar franchise, we do whatever we can to help you further your goals. We strive to create relationships between consumer and provider, B2B, donor to charity. By working together, we strengthen our community. Learn more about what it means to partner rather than just join.
