

Happy Saturday! It's the weekend, vaccines are widespread, and the CDC's latest update brings us one step closer to putting the "social" back in "social club." Per the latest official guidance, we are now welcoming our members who have been fully vaccinated to enter and remain mask-free while visiting the House. If our employees aren't wearing their masks, it's because they, too, are fully vaccinated. If you are not vaccinated, we ask that you continue to wear a mask while in the club. If you have questions or concerns, reach out. Otherwise, we can't wait to see you soon.
