**STATE REPRESENTATIVE ALEX ANDRADE HOSTS TOWN HALL MEETING FOR
INDIVIDUALS AND BUSINESSES IMPACTED BY HURRICANE SALLY**

Pensacola, October 19th – Representative Alex Andrade will be hosting a Town Hall Meeting highlighting the Hurricane Sally Recovery effort. The informational meeting and Q & A will be held on Friday, October 30th from 5:00PM – 8:00PM at the Hilton Pensacola Beach.

The event will focus primarily on Pensacola Beach and Gulf Breeze businesses that have been affected by the damage to the Pensacola Bay Bridge. Representative Andrade will discuss businesses resources and provide updates on the status of repairs. The Florida Department of Transportation, Escambia County Commissioner Bender, Gulf Breeze Mayor Fitch, and other officials will be in attendance.

“It is heartbreaking to see these locally owned businesses, stores, and restaurants kept on life support the last six months due to COVID and now suddenly see another six months of a complete standstill. There is almost no traffic driving through Gulf Breeze and Pensacola Beach, so if you have the opportunity to visit these communities please do so.” Representative Andrade says after visiting and speaking with local business owners in Gulf Breeze and Pensacola Beach.

Representative Andrade will be prepared to answer any questions and follow up on issues brought up by those in attendance.
