Pensacola Humane Society Adoption Event at Bob Tyler Toyota

Bob Tyler Toyota will host an on-site pet adoption for the Pensacola Humane Society Saturday, October 24, from 11 am – 3 pm.

Bob Tyler funds 75% of the cost of adoption in coordination with the Pensacola Humane Society. The shelter's location at 5 North Q Street will be closed for this event and will "relocate" to the dealership for a day in the Humane Express, its mobile adoption vehicle. All pets will be spayed/neutered, up-to-date on shots, microchipped and ready to go to their new forever home.

Bob Tyler said, "We host these adoptions multiple times a year and it's a great time to add a pet to your family. We encourage families to come by this Saturday and check out the selection. The Pensacola Humane Society has been a great partner in helping families adopt these dogs and cats that deserve a new home."

Jennifer Bitner, Executive Director of the Pensacola Humane Society said, "Our staff gears up for this regular event and this Saturday we bring the pets to you for adoption. We look forward to the adoption event and appreciate the Bob Tyler Toyota staff for assisting us and for Bob Tyler to personally assist in paying most of the adoption fees—so we encourage families to come and see the many dogs and cats available this week."

Regular adoption requirements will be observed for the event and are listed on the Pensacola Humane Society's website at www.pensacolahumane.org along with photos of adoptable animals.

The Pensacola Humane Society is a not-for-profit, no-kill shelter for homeless dogs and cats at 5 North Q Street, Pensacola 32505. Call 850 432-4250 for more information.
