ECSD NEWS RELEASE

September 25, 2020

Escambia County (FL) School District's Food Service Updated Plan for Curb-side Meal Distribution

Sites Updated and Eligibility Expanded

Escambia County (FLA) School District's Food Service Department has announced updates for food service effective Sept. 28, 2020. All students participating in traditional learning (AKA "brick and mortar") will receive free meals at school and the list of school sites providing breakfast and lunch pick-up service for remote learners has been updated. Pick-up meals are now available for anyone 18 and younger.

ECSD's pick-up meals service has now been expanded to include any child 18 and under. Families may continue to pick-up meals for multiple students in one stop.

"If the child is not in the car, parents picking up meals will need to provide the names of the children who will receive the meals" explained Jaleena Davis, ECSD Director of School Food Service.

"Distribution location changes were made based on the numbers of families who have frequented our school sites and comparing our locations with other local sources," said Davis.

ECSD Food Service is working with other Summer Food Service Program providers to make meals available at a variety of locations throughout the county. If families need to locate a source that is more convenient, they can go to: <https://summerbreakspot.freshfromflorida.com/> Users enter their address, and set a distance range, to see a map showing food service sites near them.

ECSD school distribution sites and times, effective Sept 28, are listed below:

At 6:15 a.m. to 7:00 a.m. meals may be picked up at:
