

# LEADERSHIP PENSACOLA

A PROGRAM OF THE GREATER PENSACOLA CHAMBER

## Leadership Pensacola Class Project Request for Proposals

PENSACOLA, Fla. – November 2, 2020 – Does your nonprofit organization have a mission-related need we can fulfill? The Leadership Pensacola (LeaP) Class of 2021 is looking for worthy proposals for its 2021 class project.

LeaP, a premier program of the Greater Pensacola Chamber Foundation, aims to develop community-minded leaders during its 12-month-long program. LeaP is designed to help participants acquire an understanding of the issues facing the Pensacola area and to gain the leadership skills necessary to effectively address them. Class members come from a cross-section of the community and include men and women from different political, career, educational, social, and cultural backgrounds.

The class project is a key part of the LeaP curriculum and this year will meet a need of a local nonprofit. In order to maximize our program's impact on our community and offer the best possible contribution, the class will evaluate the ideas and areas of need from our community organizations. Your participation could afford your organization the opportunity to tap into and harness the expertise of the LeaP class members and heighten awareness of the important service you offer.

The LeaP program is issuing this Request for Proposals (RFP) to select up to two class projects to be executed by class project teams. Interested nonprofit organizations are asked to submit an application to the Chamber by the deadline. Then if selected, each applicant will be notified to present their proposed projects to this year's LeaP Class in greater detail. The class members will then choose the project(s) to implement.

To view or download the RFP and application form, visit the Chamber website at [www.PensacolaChamber.com/Class-Project](http://www.PensacolaChamber.com/Class-Project). Please also review the Class Project Purpose and Guidelines document prior to applying to see how LeaP may serve your organization.

Proposals are due in **PDF format via email by 5:00 PM on Friday, December 11<sup>th</sup>** to Natalie Ales, the Director of Programs & Special Events at [nales@pensacolachamber.com](mailto:nales@pensacolachamber.com). If you have any questions regarding the 2021 Class Project, please contact Natalie at the email above. We look forward to hearing from you.

Additionally, please join us in congratulating the LeaP Class of 2021:
