Express Oil Change and Tire Engineers in Pensacola, FL will be Raising Funds for the Salvation Army
The automotive service provider strives to support their community in times of uncertainty.

Pensacola, Fla. – On Saturday, December 19th, 2020, each of the three Express Oil Change and Tire Engineers locations in the Pensacola and Pace areas will be holding a day-long event to raise funds to be donated to the Salvation Army. On this day, all proceeds generated from each full-service oil change will be donated to the local charity and is expected to reach \$5,000 with the help of the community. The locations participating in this fundraiser are 1650 Nine Mile Rd., Pensacola, Florida, 6200 N Ninth Ave., Pensacola, Florida, and 4640 Highway 90, Pace, Florida. The event will be from opening to closing on Saturday, December 19th, 8:00 am to 5:00 pm Central Time.

Customers can also receive a \$10 discount on their oil change and can opt to donate that \$10 towards the final contribution to the Salvation Army. Express Oil Change and Tire Engineers will hold a check presentation with Captain Frazier of the Salvation Army on Monday, December 21st, 2020 to make the final donation.

“It is important to our employees that we participate in our community and give back to the community to show our appreciation for the support the Pensacola area has shown to us. There are many excellent charitable organizations in Pensacola, and we support several of them. We chose to support the Salvation Army at this time because of their emphasis on providing food, clothing, shelter and spiritual assistance to those who need a hand up, especially at this time of year and especially in 2020.”

As stated in the quote above by a crew member at Express Oil Change, philanthropy is a top priority. The team values the support of their neighbors and regularly participates in charitable events throughout the year. In November, each of these locations served as a food-drive drop off and was able to make a generous contribution to Feeding the Gulf Coast.
