**STATE REPRESENTATIVE ALEX ANDRADE AND CITY COUNCIL PRESIDENT
JARED MOORE TO HOST PENSACOLA TOWN HALL MEETING AT NEWLY
OPENED BAYVIEW COMMUNITY CENTER**

Pensacola, FL – Representative Alex Andrade and City Council President Jared Moore will be hosting a Town Hall Meeting discussing the Pensacola Bay Bridge and infrastructure projects in Pensacola. The meeting will be held on Thursday, January 28th from 6:00PM – 7:30PM at the newly built Bayview Community Center.

The event will focus primarily on upcoming infrastructure projects in Pensacola and the status of repairs to the Pensacola Bay Bridge.

“I want to thank Council President Moore for allowing us the opportunity to host one of the first official meetings in such a beautiful space. I look forward to working with the Council in the upcoming year to keep Pensacola going in the right direction. Even while we look forward, we both recognize that people are still struggling with the damage to the Pensacola Bay Bridge and we want to reassure everyone that we’re here to listen and to help.” Representative Andrade said.

Representative Andrade and City Council President Moore will be prepared to answer any questions and follow up on issues brought up by those in attendance. The event is open to the public but capacity is limited to 60.
