BEYOND THE GRAPE CELEBRATES 7 YEARS

Special Wine Tasting Hosted by Wine Aficionado Roger Johnson

Pensacola, FL – Beyond the Grape (BTG) will celebrate Seven years at Cordova Mall on March 25 with a limited tasting featuring wines that distinguish Beyond the Grape. A portion of proceeds will benefit Manna Food Pantry. Guests may choose from a Traditional, International flight of seven wines, or a flight of seven sweeter wines from Murielle Winery in Clearwater, FL. Murielle Winery specializes in wines that begin with some of the finest grapes available, blended with taste-tempting fruits for unique flavors. They are perfect for the beach and only available in the Panhandle at Beyond the Grape.

BTG owner, Roger Johnson, says “We are able to offer great and unexpected selections for any wine lover, from someone new to wine to the most experienced sommelier. I believe in supporting local producers, and I am proud to represent three excellent Florida wineries. I have introduced area residents to many small production wines from the west coast, especially my home state of Washington, and from around the world. It’s great to have that connection to the winemakers and to find you can offer these uncommon wines to a wide range of wine drinkers.”

About Beyond the Grape

Beyond the Grape is a welcoming, laid back place to discover new wines--from local to international, sweet to dry, exotic to classic. BTG offers small production, handcrafted selections from both local and international producers to pave the way for personal journeys in wine. Creating a special sense of place that people seek out repeatedly and giving back to the community through fun events are what Beyond the Grape is all about.

Tickets for the *Beyond the Grape 7th Anniversary Party*, Thursday March 25th at 6:00PM. Purchase includes flight of 7 wines and charcuterie from Union Public House.
