GET YOUR
COVID-19 VACCINATION

Baptist Health Care offers vaccine appointments when supplies are available.

Extended hours and weekend appointments have been added to accommodate work schedules. Please note that eligibility guidelines are updated frequently. Visit eBaptistHealthCare.org for the latest requirements.

Vaccines are currently available to Florida residents who are:

- Age 50 or older
- Medically vulnerable with prescribed State of Florida form that must be completed and signed by a physician. Form is available at **ebaptisthealthcare.org/easyschedule**.
- Health care workers*
- Preschool, K-12 school or day care employees of any age*

*If you are in one of the eligible work groups, you must present work badge or proof of employment at the time of your vaccine appointment.

Appointments are required. No walk-ins allowed.

Three ways to make an appointment:

- Visit **EasySchedule.com**.
- Email name and contact information to **BHCVaccine@bhcpns.org**.
- Those who do not have email/internet access can call **850.908.SHOT (7468)**, Monday – Friday, 8 a.m. to 5 p.m.

Protect yourself and others:

- Vaccines have shown to be highly effective at preventing COVID-19.
- Based on what we know about vaccines for other diseases and early data from clinical trials, experts believe that getting a COVID-19 vaccine may also help keep you from getting seriously ill even if you do get COVID-19.
- Getting vaccinated yourself may also protect people around you.
