KEEP PENSACOLA BEAUTIFUL'S CLEAN YOUR BLOCK PARTY

A neighborhood cleanup and block party as part of the Great American Cleanup

MARCH 27TH, 2021 – PENSACOLA, FLA. – Keep Pensacola Beautiful (KPB) will be hosting a Clean Your Block Party at the Dixon School of Arts & Sciences on Saturday, March 27th from 9:00 am to 12:00 pm! Clean Your Block is a neighborhood beautification initiative, in which volunteers provide cleanup assistance to a focused area within Escambia County.

This year's Clean Your Block Party will be the biggest yet. We're partnering Dixon School of Arts & Sciences, Innisfree Hotels, Something Old Salvage, Cox Communications, and more! KPB's partners will be providing linkage to health resources for the community, as well as repairing the Dixon School's fence. Join us as we accomplish these impactful projects, enjoy DJ services with free lunch from Water Pig BBQ, and showcase our beautiful communities!

Volunteers will be removing litter from the neighborhood surrounding the school. Anyone may sign up for this event on KPB's Facebook event page or by show up on the day of the event. Those under 15 years of age must have a guardian present to participate. *Masks will be required and sanitization stations will be available throughout this event.*

"Clean Your Block is a rewarding initiative that gives volunteers the opportunity to see their impact in real time. I'm very excited for this year's event because of the amazing project partners coming out to contribute! It's a must-be-at event and a great way to serve the Pensacola community with little commitment," says Lauren Doubek, Education and Outreach Coordinator.

For more information, please visit KeepPensacolaBeautiful.com/clean-your-block or the Keep Pensacola Beautiful Facebook event page.

Clean Your Block at a Glance:

When: Saturday, March 26th from 9:00 am - 12:00 pm

Where: Dixon School of Arts & Sciences, 1201 N H St.

What: Keep Pensacola Beautiful's Clean Your Block Party

Details: Come for a day of service work in and around the Dixon School of Arts & Sciences! With KPB's team of project partners, we will repair the schools fence, provide the community with linkage to health resources, and cleanup the surrounding neighborhood. *Masks are required.*
