**Pensacola, Florida, March 16, 2021** – *Inc.* magazine today revealed that Digital Boardwalk is No. 239 on its second annual Inc. 5000 Regionals: Florida list, the most prestigious ranking of the fastest-growing Florida-based private companies. Born of the annual Inc. 5000 franchise, this regional list represents a unique look at the most successful companies within the Florida economy’s most dynamic segment—its independent small businesses.

“I am very proud of our entire team at Digital Boardwalk for helping us to achieve such a milestone. This is our second year on the Inc. 5000 Regionals list and validates the hard work that we put in every day,” said Tim Shoop, CEO, Digital Boardwalk. “We have a passion for helping businesses use technology to be more productive. In the words of the late great Steve Jobs, “If you are working on something that you really care about, you don’t have to be pushed. The vision pulls you.”

The companies on this list show stunning rates of growth across all industries in Florida. Between 2017 and 2019, these 250 private companies had an average growth rate of 202 percent and, in 2019 alone, they employed more than 83,000 people and added nearly \$11 billion to the Florida economy. ## More about *Inc.* and the Inc. 5000 Regionals

### Methodology

The 2021 Inc. 5000 Regionals are ranked according to percentage revenue growth when comparing 2017 and 2019. To qualify, companies must have been founded and generating revenue by March 31, 2017. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2017 is \$100,000; the minimum for 2019 is \$1 million. As always, *Inc.* reserves the right to decline applicants for subjective reasons.
