PENSACOLA, Fla. The Ballet Pensacola season concludes with the performance of *Snow White!* The performances will be performed at the historic downtown Cultural Arts Center on Friday, April 9 & 16 and Saturday, April 10 & 17 at 7:00 PM CT with matinee performances on Sunday, April 11 & 18, 2021, at 2:30 PM CT.

Who's the 'fairest of them all?' Find out as Ballet Pensacola concludes its 2020-2021 Season with *Snow White*. It is a treasured fairy tale of a jealous Queen, a fair maiden, and a handsome prince. Snow White's story takes her through the woods to meet all kinds of friendly woodland creatures and seven very heroic dwarfs.

Will all her new friends and her handsome prince be able to save her from the evil Queen?

Snow White is just over an hour long, full of fun, and a fully-staged ballet, featuring our Ballet Pensacola Company, and academy students. It is a perfect introduction to dance, even for the youngest members of your family. Stay tuned for some Snow White themed activities and fundraisers as we approach the show, and we will see you there!

Ballet Pensacola is excited to have former dancer and Interim Artistic Director, Debi Janea, directing this production. Debi has called Pensacola home for most of her life. At age 18, she began her training to formally teach ballet while also starting to occasionally delve into choreographing for Pensacola Little Theatre and other arts groups in the area. Over the 10 years of being a teacher and choreographer, she has worked with several ballet schools and high schools in the community. Currently, she is the choreographer for Navarre High School's drama department. She began there in 2018 and has directed/choreographed several musicals with them such as *Little Shop of Horrors*, *Little Mermaid*, and *Footloose* which is scheduled for Spring of 2021. She has also choreographed many pieces for students within the Ballet Pensacola Academy and taught choreography for Ballet Pensacola stage performances for many years.
