FOR IMMEDIATE RELEASE

OWA Reinvigorates its Summer Series with the Production of Wonder

OWA brings a complimentary nightly show to its Downtown District all summer long.

(Foley, AL) – OWA is ready to entertain you all summer long with their summer show beginning June 4 and running until August 8. Presented by Seward Studios, Wonder features a spectacular cast of performers who utilize the four elements to create a connection with water, air, earth, and fire. This free and energetic show comes to OWA to create an adventure after the sun goes down, keeping you and your friends and family entertained throughout the summer nights.

Twice each night, excluding Tuesdays, these performers will begin the show by leading guests from various points in Downtown OWA to the new Downtown OWA splash pad. Once at the splash pad, this 30-minute show will begin featuring fire, water, earth, and air. Grab a spot around the splash pad as these ferocious performers dance and splash about on the ground while breathtaking aerialists take flight above them. Recreating the iconic dance number of Lady Gaga and Ariana Grande’s Rain On Me performance, this show will have you on your feet and bopping along too as they splash around to this hit and all the bops of today’s music.

Following each performance, the cast will be available for socially distanced meet and greets and photos so you can look back on this wonderful and unique experience. Wonder shows are each night of the week, excluding Tuesdays, at 6:30pm and 8pm until August 8, 2021.

This performance is free to attend, and more information can be found at VisitOWA.com/Wonder. Don’t forget to follow us on social media to see front row exclusives of this spectacular show.
