Chef Challenge is Feeding the Gulf Coast's annual fundraiser that brings together some of our area's most celebrated chefs and restaurants for an evening of superb food and drink, live entertainment, and a vast silent auction—all in the name of ending hunger along the Central Gulf Coast.

Chef Challenge presents donors and chefs with the opportunity to make a difference in the lives of those in need within our community while marketing their business to potential clients. **Donation is tax deductible.**

With your support, Feeding the Gulf Coast can further its hunger-relief programs and services that provide meals to those in need throughout our service area.

### CHEF PARTICIPANT

- Enjoy a little friendly competition as you battle it out with other local chefs for the chance to win best dish of the night, or best dish in your category.
- Chefs must provide the culinary staff and food to prepare and serve at least **500 tastings** of their dish.

### SPONSORSHIP OR SILENT AUCTION DONATION

- A variety of sponsorship packages are available to fit your philanthropic and marketing endeavors. Your business will be listed on our website, promoted on social media and digital marketing leading up to the event.
- If your business is unable to participate as a sponsor at this time, consider a silent auction donation to put your business and products in front of our audience of dedicated donors.
