

Lisa Hopkins-Shiver, MSN RN

Co-Founder and Director: L&L Executive Adult Daycare, LLC

Lisa has 33 years of experience in Long-term care, Hospice, and Nursing Education. Her desire to learn and grow has led her into management roles in all these areas.

Lisa had worked every position from Nursing Assistant to Director of Nursing, thus providing her an excellent knowledge base of long-term care. As Director of Nursing, Lisa gained an understanding of survey preparation and skill that Lisa has will assist the facility in progressing towards a successful Joint Commission on Accreditation of Healthcare Organization (JCAHO), or Occupational Safety and Health Administration Standards (OSHA).

During Lisa's Long-term Care experience, she was exposed to hospice care and found it to have a special place in her heart, which lead to full-time employment with a Hospice unit in Pensacola.

Lisa has found education to be an equally rewarding experience, after going back to school and receiving her master's in nursing education degree, Lisa desired to give back to her community by educating the nurses that would serve her community.

Lisa is Married to James Shiver and has two wonderful sons, (Kevin II and Jonathan). Her hobbies include Church missions with her husband and singing on the worship team at church.
