The annual University of West Florida **Women in Leadership Conference** educates the next generation of business leaders destined to positively impact the state of Florida! This conference resonates with well-established career women and those just beginning their careers. Remarkably successful women, including CEOs from across the state, will share their stories through inspiring speeches and panels dedicated to both personal inspiration and practical application.

Senior VP, Human Services Group and Chief Human Resource Officer, GuideWell and Florida Blue

CEO/President, Tampa Bay Partnership
