## APRIL BAG SWAP EVENTS

*KPB's Bag Swap as part of Keep America Beautiful's Great American Cleanup Program*

**APRIL 2022- PENSACOLA, FLA.** – Keep Pensacola Beautiful's annual Bag Swap events are being held at various locations across Escambia County throughout April. This recycling initiative is to promote the mitigation of single-use plastic via reusable alternatives. Participants need to bring no less than 20 plastic bags to trade for a Keep Pensacola Beautiful reusable tote bag. We'll be at popular community events such as Gallery Night, Earth Day Pensacola, Ever'mans, and Publix to encourage participation. Participants will also be asked to sign a pledge that they will work to reduce their use of single-use plastics.

"This recycling initiative is used to illustrate the amount of plastic we consume on a daily basis and bring awareness to less wasteful alternatives," says Sigrid Solgard, Executive Director.
