Lakeview Names Director of Avalon Center

Pensacola, Fla. (February 25, 2022) – Lakeview Center, Inc. Behavioral Health Services welcomes Dustin Perry, LCSW, CAP, into the role of director of Avalon Center. In this role, Dustin will be responsible for the daily oversight of outpatient behavioral health treatment services at the center. Services are provided to children, adolescents, and adults and include individual and group therapy, case management, and psychiatric treatment.

In addition, Dustin will provide growth and educational opportunities to the established treatment team, including psychiatric providers, to stay at the forefront of community behavioral health needs and to sustain high quality care. A vital function of the position is to coordinate care with community leaders to ensure access and appropriate care for area residents.

Prior to this role, Dustin served as director of Lakeview Medication Assisted Treatment programs. His experience in setting up grant-funded programs and services to help fight the opioid epidemic dates back to 2013. He has worked in behavioral health capacities since 2006.

Dustin earned a Bachelor of Arts in Psychology from University of Central Florida, and a Master of Social Work from University of West University. For more information about addiction or mental health services, visit eLakeviewCenter.org or call 850.469.3500.
