### **Anderson Subaru Plans for Check Presentation to Make Annual Donation to Pensacola Breast Cancer Association**

**Pensacola, FL** – Upcoming on Thursday, April 28th, 2022, Anderson Subaru will meet with Pensacola Breast Cancer Association President and Board Members to present a check commemorating their annual donation to the local non-profit organization. The event will take place at the Anderson Subaru Dealership located at 7050 Pensacola Boulevard in Car City at 10:00 AM on the 28th. Anderson Subaru continues to support the Pensacola Breast Cancer Association for the 8<sup>th</sup> year as part of their “Share the Love” campaign and since 2014 has donated over \$93,000. Last year the dealership bestowed \$22,740 to the non-profit.

All funds received by Pensacola Breast Cancer Association stay local and help to cover services such as free education and mammograms to the indigent and under-insured patient population in the Florida Panhandle. The organization shares that “it’s always a big moment when we get that phone call that Anderson Subaru’s Share the Love Event is donating to PBCA because we know it’s going to help a lot of people. The check presentation is a fun way to celebrate our partnership with Anderson Subaru and share how they’re helping make an impact in the community. Regular screening and early diagnosis are powerful ways we can fight the fight and so we are thrilled to continue the mission with the help of their generous donation.”

For each new vehicle purchased or leased during the “Share the Love” event, Anderson Subaru pledges to make a \$250 contribution to one of several charities that they partner with in the community. The company reports that over the past five years they have been able to donate \$25 million to non-profits, charities and organizations providing aid and services locally.
